# A BILL FOR AN ACT

RELATING TO ELECTRIC VEHICLES.

**BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:**

1       SECTION 1. Chapter 421I, Hawaii Revised Statutes, is  
2       amended by adding a new section to be appropriately designated  
3       and to read as follows:

4       "§421I-       Electric vehicle charging system installation  
5       requests; board of directors approval or denial. (a) Within  
6       sixty days of receipt of a shareholder's complete request for  
7       approval to install an electric vehicle charging system, the  
8       board of directors shall make a decision to approve or deny the  
9       shareholder's request. The shareholder's request shall not be  
10       deemed complete unless information on the cost and impact of the  
11       installation is included with the request. The installation of  
12       the electric vehicle charging system shall be subject to section  
13       196-7.5.

14       (b) For the purposes of this section, "electrical vehicle  
15       charging system" shall have the same meaning as in section  
16       196-7.5."

SECTION 2. Chapter 421J, Hawaii Revised Statutes, is amended by adding a new section to be appropriately designated and to read as follows:

"§421J- Electric vehicle charging system installation requests; board approval or denial. (a) Within sixty days of receipt of a member's complete request for approval to install an electric vehicle charging system, the board shall make a decision to approve or deny the member's request. The member's request shall not be deemed complete unless information on the cost and impact of the installation is included with the request. The installation of the electric vehicle charging system shall be subject to section 196-7.5.

(b) For the purposes of this section, "electrical vehicle charging system" shall have the same meaning as in section 196-7.5."

SECTION 3. Chapter 514A, Hawaii Revised Statutes, is amended by adding a new section to part V to be appropriately designated and to read as follows:

"§514A- Electric vehicle charging system installation requests; board approval or denial. (a) Within sixty days of receipt of an apartment owner's complete request for approval to

1 install an electric vehicle charging system, the board of  
2 directors shall make a decision to approve or deny the apartment  
3 owner's request. The apartment owner's request shall not be  
4 deemed complete unless information on the cost and impact of the  
5 installation is included with the request. The installation of  
6 the electric vehicle charging system shall be subject to section  
7 196-7.5.

8 (b) For the purposes of this section, "electrical vehicle  
9 charging system" shall have the same meaning as in section  
10 196-7.5."

11 SECTION 4. Chapter 514B, Hawaii Revised Statutes, is  
12 amended by adding a new section to part VI to be appropriately  
13 designated and to read as follows:

14 "§514B- Electric vehicle charging system installation  
15 requests; board approval or denial. (a) Within sixty days of  
16 receipt of a unit owner's complete request for approval to  
17 install an electric vehicle charging system, the board shall  
18 make a decision to approve or deny the unit owner's request.  
19 The unit owner's request shall not be deemed complete unless  
20 information on the cost and impact of the installation is

1 included with the request. The installation of the electric  
2 vehicle charging system shall be subject to section 196-7.5.

3 (b) For the purposes of this section, "electrical vehicle  
4 charging system" shall have the same meaning as in section  
5 196-7.5."

6 SECTION 5. New statutory material is underscored.

7 SECTION 6. This Act shall take effect upon its approval.

8

**Report Title:**

Electrical Vehicle Charging System Installation; Board Approval

**Description:**

Requires the board of directors of an association of apartment owners, condominium association, cooperative housing corporation, or planned community association, upon receipt of a request for the installation of an electric vehicle charging system, to make a decision to approve or deny the request within sixty days. (SD1)
